- **OPEN CLIMB** - No staff on duty at this time. Certified belayers 16 years of age and older may use the wall during open climb sessions.
- **SUPERVISED CLIMB** - Anyone who is able to fit in the climbing harness may climb at this time. Our staff will provide assistance with belaying to those who are not certified to belay on their own.
- **BELAY** - Rock climbing involving the assistance of climbing equipment. Various skilled routes enable climbers to ascend to the top of the wall with the help of a certified belayer.
- **BOULDER** - Rock climbing without the use of a rope, harness or belayer. Bouldering may be done any time the facility is open and is allowed only as high as the 2nd black coal vein (approximately 10 ft.) Must be 10 years or older to boulder.
- **LEARN TO BELAY** - Take this class! Open to anyone ages 16+ who want to become a certified belayer. Being certified allows you to climb during OPEN CLIMB hours.
